

PUBLIC EMERGENCY NOTIFICATION SYSTEM

# PROJECT CONNECT

MEETING COMPLEX NEEDS THROUGH NEW PARTNERSHIPS

During an emergency when minutes matter and accurate information is critical, the Emergency Response Portal (ERP) facilitates direct communication between the Emergency Services and your property. The benefit of this advanced communication is an improved response.

Every Property and Business should Register to Receive:

## EMERGENCY ALERTS

- ✓ Police Emergencies
- ✓ Crimes in Progress
- ✓ Extreme Events
- ✓ Medical and Fire Emergencies
- ✓ Public Safety Alerts

And more...

This 24/7 service is free. Register NOW to ensure you are in the know when it matters most!

## HEADS UP ALERTS

- ✓ Power, Gas, and Water Outages
- ✓ Traffic Issues such as Detours, Parades and Construction
- ✓ Crime Prevention and Safety Information

And more...

ERP is designed to inform you immediately of any disruption that may affect your business continuity.
