

PROJECT CONNECT

REGISTER NOW TO BE PART OF THE SOLUTION

THE CONTINUUM OF PUBLIC SAFETY

During an emergency when minutes matter and accurate information is critical, the Emergency Response Portal (ERP) facilitates direct communication between the **911 Emergency Services** and your property.

ERP is designed to inform you immediately of any disruption that may affect your business continuity.

Every Property and Business should Register to Receive:

EMERGENCY ALERTS

- ✓ Police Emergencies
- ✓ Crimes in Progress
- ✓ Extreme Events
- ✓ Medical and Fire Emergencies
- ✓ Public Safety Alerts

And more...

HEADS UP ALERTS

- ✓ Power, Gas, and Water Outages
- ✓ Traffic Issues such as Detours, Parades and Construction
- ✓ Crime Prevention and Safety Information

And more...

This 24/7 service is **FREE**. Register **NOW** to ensure you are in the know when it matters most!
